Directions, Parking, and Accessibility Information for Office for Equity and Diversity Workshops

Workshops in the St Paul Student Center Cherrywood Room:

The Cherrywood Room is on the East side of the St. Paul Student Center. If you enter the student center from the main doors, go up to the second floor using the elevator (across the hall from two gendered bathrooms) or the stairs (near the front doors). Once you get to the second floor, walk through the hallway lined with armchairs and through some glass doors into a study lounge space with couches and tables. Go through another set of glass doors, and the room will be immediately on your right. The Cherrywood Room is long and narrow, with 9 round tables that seat 8 people each.

A gender inclusive accessible restroom is in the tunnel between the St. Paul Student Center and Coffey Hall. It is across the hall from the Computer Lab and the Minnesota 4H office. This is a family restroom with a changing table. The best drinking fountain is on the first floor across from the elevator.

Workshop content:

Our workshops are highly participatory and interactive. Most workshops include small group and large group conversations, as well as videos and worksheets. Some of the content we talk about may bring up emotions or feel uncomfortable. Please take care of yourself, while also working to break out of your comfort zone. We encourage participants to arrive 10 minutes before the session starts. If you are 15 minutes late or have to leave 15 minutes before the end of the workshop, we ask that you attend an alternate date. Contact OEDed@umn.edu with questions or accommodation requests.
